

RECYCLING GUIDE

If recycling is available in your area, please encourage participants to separate their trash from recyclable items. A sample recycling guide from Keep Austin Beautiful is listed below. Please note that recyclable items in your area may be different. Refer to your local recycling agency to find out which recyclable items are accepted.

Recycling Tips & Tricks for Cleanups

Place in Single-Stream Recycling:

-  **Hard plastics with lids separated.**
-  **Empty metal cans.**
-  **Dry paper and cardboard.**
-  **Unbroken glass.**
(For safety reasons)

All materials should be relatively clean no caked on mud, or excess debris.

Questions?

-  Ask someone at Keep Austin Beautiful.
-  Ask yourself, "Would I recycle this at home?"
-  Check Austin Resource Recovery's website:
