

VOLUNTEER WELCOME

Good morning everyone and thank you for volunteering for our Annual Keep Texas Beautiful Fall Sweep event! Millions of pieces of litter accumulate on our roadways each year. By joining forces as we are doing today, we can keep Texas communities clean and clear of trash.

Your participation sends a clear message to Texans everywhere: The smallest efforts really do make the biggest difference. Last year alone, over 30,000 volunteers collected nearly 1 million pounds of waste and recyclables, planted 795 trees and collected 746 tires. Take pride in the fact that you are part of making our great state beautiful.

Our event shows not just our community, but the rest of the nation that we are committed to keeping <your city> beautiful not just today, but every day.

Thank you again, and let's get cleaning!
